Note:

1. The population of India includes the estimated population of entire Kachchh district, Morvi, Maliya-Miyana and Wankaner talukas of Rajkot district, Jodiya taluka of Jamanagar district of Gujarat State and entire Kinnaur district of Himachal Pradesh where population enumeration of Census of India 2001 could not be conducted due to natural calamity
2. While working out sex ratio of child population for 1991 Census in the age group 0-6 and population aged 7 and above for India, the population in the age group 0-6 and population aged 7 and above of areas of Gujarat and Himachal Pradesh affected by natural calamities have been excluded. The details of affected areas are given in Note numbers 2 and 3 below.
